Re: Surface Water Right Application No. S3-30646

Dear Mr. Crutchfield:

On September 8, 2011 our office received the City of Pasco's application for a water right permit and has assigned it the number shown above. Please include this number if you contact us regarding the application.

The minimum application fee is \$50.00. In addition to the \$50.00 that has already been submitted, an additional fee of **\$3,820.00** is now due. This is based on the request for 38.7 cfs. Refer to the enclosed Water Right Application Fee Schedule to see how the fees were calculated. Please use the enclosed invoice to return your check or money order.

No action will be taken on the application until the fee is paid in full. The application will be rejected if the additional fees are not submitted within 60 days of this notice.

Derek and I are meeting next week with all 4 quads and asked Pasco to wait until after that meeting to submit, but they chose to submit anyway. They want more FDR water. We're trying to figure out how to move forward. Go ahead and process the fee letter as normal, thanks. Dan.

Katherine,

Kevin says he is not waiting on anything from Pasco. Mark Schuppe thinks it might be something Dan Haller knows about – or needs to know about.

ERO received an application on 9-8-2011 from the City of Pasco (Butterfield Water Treatment Plant) to divert 38.7 cfs from the Columbia River? If you are waiting on this or have a staffer that needs to see it let me know. I will be sending a letter tomorrow requesting an additional \$3,820.00 fee. –KR

VL,
K.Brown is in lean training, I think with you this week. Can you ask him if he is waiting on it? Just in case he doesn't check e-mail.
